### Keynote Speaker

#### Chris Hsu

EVP & General Manager, HPE Software  
CEO, Combined Micro Focus Company

Chris has been the EVP and General Manager of HPE Software since September 2016. He joined HP in 2014 as SVP, Organizational Performance and also led the separation of HP into two companies - Hewlett Packard Enterprise and HP Inc. Chris became HPE's Chief Operating Officer in 2015 when the separation was complete, leading the company's financial services business, corporate strategy and operations and key global operational functions, including IT, cybersecurity and procurement.

Early in his career, Chris was a managing director at the private equity firm Kohlberg Kravis Roberts (KKR) and also held leadership positions at McKinsey & Company, General Mills. He served as a Captain in the US Army. Chris holds a Bachelor of Science in mathematical economics from the United States Military Academy and an MBA from the Kellogg Graduate School of Management at Northwestern University.
