

Change Guardian 6.2.1.3 Release Notes

June 2023

Change Guardian 6.2.1.3 includes a security fix. Most of the improvements are made in direct response to suggestions from our customers. We thank you for your time and valuable input. We hope you continue to help us to ensure that our product meets all your needs.

The documentation for this product is available on the Micro Focus website in HTML and PDF formats on a page that does not require you to log in. If you have suggestions for documentation improvements, click **comment on this topic** at the bottom of any page in the HTML version of the documentation posted at the [Change Guardian Documentation](#) page. To download this product and patches, see the [Micro Focus Downloads](#) website.

What is New?

This release addresses a high severity security issue during the Change Guardian installation. (Defect 750002)

NOTE: To fix the issue, apply 6.2.1.3 patch to Change Guardian 6.2.1. For more information about the patch application, see [Applying Updates to Change Guardian](#).
