Software Release Date: September 2021

## Legal notices

### Copyright notice

© Copyright 2021 Micro Focus or one of its affiliates.

The only warranties for products and services of Micro Focus and its affiliates and licensors (“Micro Focus”) are as may be set forth in the express warranty statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. Micro Focus shall not be liable for technical or editorial errors or omissions contained herein. The information contained herein is subject to change without notice.

## Documentation updates

The title page of this document contains the following identifying information:

- Software Version number, which indicates the software version.
- Document Release Date, which changes each time the document is updated.
- Software Release Date, which indicates the release date of this version of the software.

To check for updated documentation, visit <https://www.microfocus.com/documentation/connected/>.

## Support

Visit the [MySupport portal](#) to access contact information and details about the products, services, and support that Micro Focus offers.

This portal also provides customer self-solve capabilities. It gives you a fast and efficient way to access interactive technical support tools needed to manage your business. As a valued support customer, you can benefit by using the MySupport portal to:

- Search for knowledge documents of interest
- View software vulnerability alerts
- Enter into discussions with other software customers
- Manage software licenses and support contracts
- Submit and track service requests
- Contact customer support
- View information about all services that Support offers

Many areas of the portal require you to sign in. If you need an account, you can create one when prompted to sign in. To learn about the different access levels the portal uses, see the [Access Levels descriptions](#).

# Release Notes

## Connected Mobile App 10.0.0

This document is an overview of the changes made to Micro Focus Connected Mobile App 10.0.0 for both Android and iOS platforms. It contains important information about the following items, which other documentation does not include:

- [Enhancements](#)
- [Limitations](#)
- [Installation](#)

For information about the installation requirements and compatibility of this release with other products, see the associated *Micro Focus Connected Mobile App 10.0.0 Support Matrix*. The support matrix may be updated between releases, so it is available only from the [Connected documentation site](#).

## Enhancements

This section describes the enhancements in this release. For more information about a specific one, see the Connected Help Center or contact Micro Focus Support.

---

**Rebranded as Connected.** Connected MX is re-branded as Connected with a new Connected logo (). The change is reflected in the installation paths and executable names.

---

## Limitations

This section describes the limitations in this release. For more information about a specific one, contact Micro Focus Support.

---

**Issue:** On your iOS, after the upgrade to Connected, you are prompted to log in again.

---

## Installation

You can download the mobile apps for free from the App Store or Google Play. The Downloads page of the Connected web application provides direct links to the app in each store.
