

Run and Transform— At the Same Time

Who We Are

Micro Focus is one of the world's largest enterprise software providers, focused on helping you run and transform—at the same time. We deliver mission-critical technology and strategic services that help thousands of customers worldwide manage core IT elements of their business.

What We Do

Solve Your
Digital Dilemma

Micro Focus helps you solve the digital dilemma of how to balance today's needs with tomorrow's opportunities. Our broad portfolio of enterprise software products and supporting services provides the keys you need to accelerate, simplify, strengthen, and analyze your core operations:

Accelerate Application Delivery

Deliver at high speed
with low risk.

Simplify IT Transformation

Cut complexity and
build agility.

Strengthen Cyber Resilience

Adapt with
intelligence.

Analyze Data in Time to Act

Accelerate prediction
accuracy.

Why Customers Trust Us

You need more than an IT vendor—you need a partner who has the expertise and commitment to help you achieve success both today and in the long term.

Customer-focused

We have multiple customer inputs into the R&D process and experts focused on your success.

Innovative

Over 2,700 patents show our commitment to finding new and better solutions for our customers.

Comprehensive

A broad portfolio of 300+ integrated products, strategic services, and 7,500+ partners give you what you need when you need it.

Trusted

We are highly ranked by analysts and customers worldwide, with over 40 years of experience and a strong balance sheet.

Flexible

We meet our customers' needs with flexible pricing and deployment options, including SaaS, on premises, and hybrid IT.

Responsible

Our Environmental, Social & Governance program commits to putting sustainable and responsible business at the core of the way we operate.

We power billions of transactions and millions of business-critical functions in industries where getting IT right matters. When you partner with Micro Focus, you're in the company of many of the world's most successful businesses. Learn more at microfocus.com.
