Software Specific Terms

Micro Focus COBOL Extension for Visual Studio Code, Micro Focus Enterprise Extension for Visual Studio Code

This Licensed Software may be used solely with Visual Studio Code. Additional functionality in the Licensed Software may be available if used with a validly licensed copy of certain Licensor software products. In such event, the license terms applicable to such software products shall continue to apply to such software and not be affected by this ALA. No support or maintenance is provided or available for this Licensed Software except where otherwise agreed by Licensor in writing.

Licensee shall not use the Licensed Software, nor reproduce or distribute any files supplied as part of the Licensed Software, in order to create a compiler, interpreter, runtime support product or any other product that is generally competitive with or a substitute for any Licensor product.
