

## **Addendum to the Novell® Software License Agreement**

### **Novell eDirectory® 8.8 Developer License**

This Addendum (“Addendum”) is made to the Novell Software License Agreement (“EULA”) included with the Novell eDirectory 8.8 software (the “Software”). Your use of the Software is governed by this Addendum and the EULA. Terms not defined in this Addendum shall have the same meaning as set forth in the EULA. The following additional terms apply to Your use of the Software.

Developer License. As a convenience to developers developing products that interoperate with eDirectory, the paragraph titled “Evaluation Software” in the EULA is modified by changing the 90 day evaluation period to an unlimited evaluation period. This modification applies solely to Your use of the eDirectory 8.8 product for development and testing purposes.

Except as amended by this Addendum, the EULA remains in full force and effect.
