**NetIQ End User License Agreement**

**PLEASE READ THIS AGREEMENT CAREFULLY. BY INSTALLING, DOWNLOADING OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE WITH THESE TERMS, YOU ARE NOT PERMITTED TO DOWNLOAD, INSTALL OR USE THE SOFTWARE AND YOU SHOULD NOTIFY THE PARTY FROM WHICH YOU PURCHASED THE SOFTWARE TO OBTAIN A REFUND. THE SOFTWARE MAY NOT BE SOLD, TRANSFERRED, OR FURTHER DISTRIBUTED EXCEPT AS AUTHORIZED BY LICENSOR.**

This End User License Agreement ("Agreement") is a legal agreement between You (an entity or a person) and NetIQ Corporation ("Licensor"). The software product identified in the title of this Agreement for which You have acquired licenses, any media and accompanying documentation (collectively the "Software") is protected by the copyright laws and treaties of the United States ("U.S.") and other countries and is subject to the terms of this Agreement. If the laws of Your country of origin require contracts to be in the local language to be enforceable, such local language version may be obtained from Licensor upon written request and shall be deemed to govern Your purchase of licenses to the Software. Any update, mobile application, module or adapter or support release to the Software that You may download or receive that is not accompanied by a license agreement is Software and governed by this Agreement. If the Software is an update or support release, then You must have validly licensed the version and quantity of the Software being updated or supported in order to install or use the update or support release.

**LICENSED USE**

**DEFINITIONS:**

"Content" means the configuration packages and reports included with or made available by NetIQ for the Software for the purpose of configuring and using the Software.

"Engine" means the components of the Software that manage the operations of the Identity Manager User Application, the Integration Modules, integration modules provided by NetIQ consulting services, and/or third-party integration modules.

"Integration Module(s)" means any Identity Manager ("IDM") integration module or collection of IDM drivers available on NetIQ's published price list (including third party integration modules on NetIQ's price list but excluding drivers provided through NetIQ consulting services), regardless of whether purchased directly or indirectly from NetIQ.

"User" means a user object in a single directory tree (or other class of object that contains data representing a person, such as objects containing credit card information or PIN numbers) that has (a) access or use rights to any portion of the Software, or (b) access or use rights to products (devices, hardware, or software) being managed by the Software, regardless of whether the user object is assigned to a person or device. User objects (or other classes of objects) representing the same person that are linked to each other within a single tree and/or linked across multiple trees count as only one User.

**LICENSES:**

The following licenses apply to Your use of the Software depending on which product licenses You have purchased. Purchase of Identity Manager licenses is a prerequisite for use of the Identity Manager User Application and the Integration Modules.

**Identity Manager 4.5 Advanced Edition.**

You must acquire an Advanced Edition user license for each User. Each person who accesses or uses the Software must have at least one user object uniquely assigned to that person and access the Software through the user object.

You may create and internally use derivative works of the configuration packages portion of the Content and may distribute those derivative works internally in accordance with the terms of the Designer End User License Agreement. You may also create new reports or edit the reports that are provided as part of the Content, and may distribute the new or edited reports internally or externally.

**Identity Manager 4.5 Standard Edition.**

You must acquire a Standard Edition user license for each User. Each person who accesses or uses the Software must have at least one user object uniquely assigned to that person and access the Software through the user object.

You may create and internally use derivative works of the configuration packages portion of the Content and may distribute those derivative works internally in accordance with the terms of the Designer End User License Agreement. You may also create new reports or edit the reports that are provided as part of the Content, and may distribute the new or edited reports internally or externally.

Limited Use Restrictions for Identity Manager 4.5 Standard Edition. The following components may only be used in Identity Manager 4.5 Advanced Edition and may not be used in Identity Manager 4.5 Standard Edition: Role, Request, Approval functionality in Identity Manager Home and Provisioning Dashboard; Advanced Reporting on data outside the identity vault/engine within current state and inside the identity vault/engine within historical data; Approval Workflow; Full Roles Framework, including role creation; Resource Model; Full User Application with Dashboard-based reporting; Role and Resource catalogs; Catalog Administrator; Basic Attestation and Managed System Gateway (“MSGW”) driver.

### **Identity Manager Integration Modules**

The Software includes certain standard integration components and utilities for use with the Software. Specialized Integration Modules are sold and licensed separately for use with the Engine. For Integration Modules sold separately, You must acquire a user license for each User of the Integration Module. Each person who accesses or uses the Integration Module Software must have at least one user object uniquely assigned to that person and access the Software through the user object. Provided that You comply with the above requirements, You are authorized to use an unlimited number of copies of the Integration Module Software.

### **Identity Manager Bundle Edition**

“Commercial Drivers” means the NetIQ Identity Manager drivers for NetIQ eDirectory™, Novell Business Continuity Clustering, and Active Directory. The term “Commercial Drivers” will also include any other NetIQ Identity Manager driver that NetIQ designates as a Commercial Driver in the end user license agreement accompanying such driver. Commercial Drivers are licensed to You for commercial use with the Primary Product.

“Evaluation Drivers” means the NetIQ Identity Manager drivers included with the Software other than the Commercial Drivers. Evaluation Drivers are licensed to You for limited evaluation purposes in accordance with the Evaluation Software paragraph set forth below in this Agreement.

“Primary Product” means the NetIQ or Novell software product with which You received the NetIQ Identity Manager Bundle Edition Software. By way of example, You may have received the NetIQ Identity Manager Bundle Edition Software with Your purchase of licenses for the Novell Open Enterprise Server product.

License Grant. You are authorized to use the Commercial Drivers with the NetIQ Identity Manager engine included with the Software solely to enable Your licensed use of the Primary Product and only in connection with Your licensed use of the Primary Product. You are authorized to use the Evaluation Drivers with the NetIQ Identity Manager engine included with the Software solely for internal evaluation purposes in accordance with the Evaluation Software paragraph set forth below. You may not use the NetIQ Identity Manager Software with the User Application for NetIQ Identity Manager, the Roles Based Provisioning Module for NetIQ Identity Manager or with any drivers or integration modules other than the Commercial Drivers specified above.

Use of the NetIQ Identity Manager Software with any drivers or modules other than as expressly specified above and other than solely in support of the Primary Product requires the purchase of the requisite licenses to the NetIQ Identity Manager product (licenses sold separately).

### **NetIQ eDirectory License**

The quantity of User licenses for the NetIQ eDirectory software included with Your lawfully acquired licenses of the NetIQ Identity Manager 4.5 Advanced Edition, NetIQ Identity Manager 4.5 Standard Edition Software or NetIQ Identity Manager Bundle Edition is equal to the greater of (1) the quantity of licenses You have lawfully acquired for the NetIQ Identity Manager Software, or (2) 250,000 Users per entity/company. The foregoing NetIQ eDirectory licenses are not upgradeable and are otherwise subject to the license agreement accompanying the NetIQ eDirectory software.

### **Staging Software License**

Provided that You are in compliance with the terms of this Agreement, You are authorized to use the Software in Your internal, non-production environment solely for testing purposes in a quantity equal to that of Your User commercial licenses.

Third Party Components. Additional terms applicable to Your use of the Software are found in the appendix attached hereto.

**Evaluation Software.** If the Software is an evaluation version or is provided to You for evaluation purposes, then, unless otherwise approved in writing by an authorized representative of Licensor, Your license to use the Software is limited solely for internal evaluation purposes in non-production use and in accordance with the terms of the evaluation offering under which You received the Software, and expires 90 days from installation (or such other period as may be indicated within the Software). Upon expiration of the evaluation period, You must discontinue use of the Software, return to an original state any actions performed by the Software, and delete the Software entirely from Your system and You may not download the Software again unless approved in writing by an authorized representative of Licensor. The Software may contain an automatic disabling mechanism that prevents its use after a certain period of time.

### **RESTRICTIONS**

License Restrictions. Licensor reserves all rights not expressly granted to You. The Software is licensed for Your internal use only. Except as this Agreement expressly allows, You may not (1) copy (except for back-up purposes), modify, alter, create derivative works, reverse engineer, decompile, or disassemble the Software except and only to the extent expressly permitted by applicable law; (2) transfer, assign, pledge, rent, timeshare, host or lease the Software, or sublicense any of Your license grants or rights under

this Agreement; in whole or in part, without prior written permission of Licensor; (3) remove any patent, trademark, copyright, trade secret or other proprietary notices or labels on the Software or its documentation; or (4) disclose the results of any performance, functional or other evaluation or benchmarking of the Software to any third party without the prior written permission of Licensor.

**Hosting Restrictions.** In the event that You desire to have a third party manage, host (either remotely or virtually) or use the Software on Your behalf, You shall (1) first enter into a valid and binding agreement with such third party that contains terms and conditions to protect Licensor's rights in the Software that are no less prohibitive and/or restrictive than those contained in this Agreement, including, without limitation, the Verification section below; (2) prohibit use by such third party except for the sole benefit of You; and (3) be solely responsible to Licensor for any and all breaches of the above terms and conditions by such third party.

**Suite Licenses.** If Your license to use the Software is for a suite of products, then for each license only one user may use the products in the suite. The suite license does not allow use of individual products in the suite by multiple users if licensed on a user basis or multiple devices if licensed on a device or server basis.

**Upgrade Software.** This section applies to You if You have purchased the Software based upon upgrade pricing or otherwise received an upgrade or update to the Software. "Original Product" means the product from which You are upgrading. You are authorized to use the Software only if You are the authorized user of the Original Product and You may use the Software to replace Your licensed unit count of the Original Product on a one-for-one basis, not exceeding the authorized licensed unit count for the Original Software. This Agreement shall replace and govern any license agreement for the surviving units of Original Product. This Agreement is specific to the Software (by product and version) that it accompanies, and You may not re-allocate Your Software licensed unit count to another product or version except under express written permission from Licensor.

**Maintenance and Support.** Licensor has no obligation to provide support unless You purchase an offering that expressly includes support services. If You make such a purchase and no separate agreement specifically applies to the support services, then the terms of this Agreement will govern the provision of such support services ("Services"). For more information on Licensor's current support offerings, see <https://www.NetIQ.com/support>.

**iOS App.** If the Software is a mobile application for the iOS platform, Apple requires that NetIQ include certain terms in this Agreement. You hereby agree to and acknowledge the following terms (for purposes of this addendum, the term "Licensed Application" refers to the Software). You acknowledge that this Agreement is concluded between You and NetIQ only, and not with Apple. NetIQ is solely responsible for the Licensed Application and the content thereof. To the extent that this Agreement provides for usage rules for the Licensed Application that are less restrictive than the Usage Rules set forth for Licensed Applications in, or otherwise are in conflict with, the App Store Terms of Service, then those more restrictive terms in the App Store Terms of Service also apply. Your license to use the Licensed Application is limited to a non-transferable license to use the Licensed Application on an iOS Product that You own or control and as permitted by the Usage Rules set forth in the App Store Terms of Service. You acknowledge that Apple has no obligation whatsoever to furnish any maintenance and support services with respect to the Licensed Application. To the maximum extent permitted by applicable law, Apple will have no other warranty obligation whatsoever with respect to the Licensed Application. You acknowledge that Apple is not responsible for addressing any claims relating to the Licensed Application or Your possession and/or use of that Licensed Application, including, but not limited to: (i) product liability claims; (ii) any claim that the Licensed Application fails to conform to any applicable legal or regulatory requirement; and (iii) claims arising under consumer protection or similar legislation. Intellectual Property Rights: You acknowledge that, in the event of any third party claim that the Licensed Application or Your use of that Licensed Application infringes that third party's intellectual property rights, Apple will not be responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim. You represent and warrant that You are not located in a country that is subject to a U.S. Government embargo, or that has been designated by the U.S. Government as a "terrorist supporting" country; and You are not listed on any U.S. Government list of prohibited or restricted parties. You must comply with applicable third party terms of agreements when using Your Application, e.g., if use VoIP, then You must not be in violation of Your wireless data service agreement when using the Licensed Application. Apple, and Apple's subsidiaries, are third party beneficiaries of the Agreement. Upon Your acceptance of the terms and conditions of the Agreement, Apple will have the right (and will be deemed to have accepted the right) to enforce the Agreement against You as a third party beneficiary thereof.

## **OWNERSHIP**

No title to or ownership of the Software is transferred to You. Licensor and/or its third party licensors retain all right, title and interest in and to all intellectual property rights in the Software and Services, including any adaptations or copies thereof. The Software is not sold to You, You acquire only a conditional license to use the Software. Title, ownership rights and intellectual property rights in and to the content accessed through the Software are the property of the applicable content owner and may be protected by applicable copyright or other law. This Agreement gives You no rights to such content.

## **LIMITED WARRANTY**

For ninety (90) days from Your date of purchase, Licensor warrants that the Software will substantially conform to its accompanying documentation. If You report the nonconformity to Licensor within ninety (90) days from the date of purchase, Licensor will at its sole discretion either resolve the nonconformity or refund the license fees You paid for the Software. Any unauthorized use or modification to the Software voids this warranty. THE FOREGOING WARRANTY IS YOUR SOLE AND EXCLUSIVE REMEDY AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. The foregoing warranty does not apply to Software provided free of charge. SUCH SOFTWARE IS PROVIDED "AS IS" WITHOUT ANY WARRANTIES OF ANY KIND.

**Services.** Licensor warrants that any Services purchased will be supplied in a professional manner in accordance with generally

accepted industry standards. This warranty will be effective for thirty (30) days following delivery of the Services. Upon any breach of this warranty, Licensor's only obligation is to either correct the Services so that they comply with this warranty or at its option refund the amount You paid to Licensor for the portion of the Services that fail to comply with this warranty. You agree to take appropriate measures to isolate and back up Your systems.

THE SOFTWARE IS NOT DESIGNED, MANUFACTURED OR INTENDED FOR USE OR DISTRIBUTION WITH ON-LINE CONTROL EQUIPMENT IN HAZARDOUS ENVIRONMENTS REQUIRING FAIL-SAFE PERFORMANCE, SUCH AS IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION, COMMUNICATION, OR CONTROL SYSTEMS, DIRECT LIFE SUPPORT MACHINES, WEAPONS SYSTEMS, OR OTHER USES IN WHICH FAILURE OF THE SOFTWARE COULD LEAD DIRECTLY TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE.

Non-Licensor Products. The Software may include or be bundled with hardware or other software programs or services licensed or sold by an entity other than Licensor. LICENSOR DOES NOT WARRANT NON-LICENSOR PRODUCTS OR SERVICES. ANY SUCH PRODUCTS OR SERVICES ARE PROVIDED ON AN "AS IS" BASIS. WARRANTY SERVICE IF ANY FOR NON-LICENSOR PRODUCTS IS PROVIDED BY THE PRODUCT LICENSOR IN ACCORDANCE WITH THE APPLICABLE LICENSOR WARRANTY.

EXCEPT AS OTHERWISE RESTRICTED BY LAW, LICENSOR DISCLAIMS AND EXCLUDES ANY AND ALL IMPLIED WARRANTIES INCLUDING ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NON-INFRINGEMENT NOR ARE THERE ANY WARRANTIES CREATED BY COURSE OF DEALING, COURSE OF PERFORMANCE OR TRADE USAGE. LICENSOR MAKES NO WARRANTY, REPRESENTATION OR PROMISE NOT EXPRESSLY SET FORTH IN THIS LIMITED WARRANTY. LICENSOR DOES NOT WARRANT THAT THE SOFTWARE OR SERVICES WILL SATISFY YOUR REQUIREMENTS, BE COMPATIBLE WITH ALL OPERATING SYSTEMS, OR THAT THE OPERATION OF THE SOFTWARE OR SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE. THE FOREGOING EXCLUSIONS AND DISCLAIMERS ARE AN ESSENTIAL PART OF THIS AGREEMENT AND FORMED THE BASIS FOR DETERMINING THE PRICE CHARGED FOR THE PRODUCTS. Some jurisdictions do not allow certain disclaimers and limitations of warranties, so portions of the above limitations may not apply to You. This limited warranty gives You specific rights and You may also have other rights which vary by state or jurisdiction.

#### **LIMITATION OF LIABILITY**

Consequential Losses. NEITHER LICENSOR NOR ANY OF ITS THIRD PARTY LICENSORS, SUBSIDIARIES, OR EMPLOYEES WILL IN ANY CASE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, INDIRECT, TORT, ECONOMIC OR PUNITIVE DAMAGES, WHETHER BASED ON CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER TORT, BREACH OF ANY STATUTORY DUTY, INDEMNITY OR CONTRIBUTION, INCLUDING WITHOUT LIMITATION LOSS OF PROFITS, BUSINESS OR DATA, EVEN IF ADVISED OF THE POSSIBILITY OF THOSE DAMAGES.

Direct Damages. IN NO EVENT WILL LICENSOR'S AGGREGATE LIABILITY FOR DIRECT DAMAGES TO PROPERTY OR PERSON (WHETHER IN ONE INSTANCE OR A SERIES OF INSTANCES) EXCEED 1.25 TIMES THE AMOUNT PAID BY YOU FOR THE SOFTWARE OR SERVICES OUT OF WHICH SUCH CLAIM AROSE (OR \$50 (U.S.) IF YOU RECEIVED THE SOFTWARE FREE OF CHARGE). The above exclusions and limitations will not apply to claims relating to death or personal injury caused by the negligence of Licensor or its employees, agents or contractors. In those jurisdictions that do not allow the exclusion or limitation of damages, including, without limitation, damages for breach of any implied terms as to title or quiet enjoyment of any Software obtained pursuant to this Agreement or for fraudulent misrepresentation, Licensor's liability shall be limited or excluded to the maximum extent allowed within those jurisdictions.

#### **GENERAL TERMS**

Term. This Agreement becomes effective on the date You legally acquire the Software and will automatically terminate if You breach any of its terms. If the Software is provided to You on a subscription basis, then Your right to possess or use the Software will terminate at the end of the applicable subscription period. Upon termination of this Agreement or any applicable subscription period, You must destroy the original and all copies of the Software or return them to Licensor and delete the Software from Your systems.

Verification. Licensor has the right to verify Your compliance with this Agreement. You agree to: (1) Implement internal safeguards to prevent any unauthorized copying, distribution, installation, use of, or access to, the Software; (2) Keep records sufficient to certify Your compliance with this Agreement (including its Product Use Rights Appendix, if any), and, upon request of Licensor, provide and certify metrics and/or reports based upon such records and account for both numbers of copies (by product and version) and network architectures as they may reasonably relate to Your licensing and deployment of the Software; and (3) Allow a Licensor representative or an independent auditor ("Auditor") to inspect and audit Your, or Your contractor's, computers and records, during Your normal business hours, for compliance with the licensing terms for Licensor's software products. Upon Licensor's and Auditor's presentation of their signed written confidentiality statement form to safeguard Your confidential information, You shall fully cooperate with such audit and provide any necessary assistance and access to records and computers. If an audit reveals that You have or at any time have had unlicensed installation, use of, or access to the Software, You will, within 30 days, purchase sufficient licenses to cover any shortfall without benefit of any otherwise applicable discount and subject to license fees reflecting the duration of the shortfall. If a material license shortfall of 5% or more is found, You must reimburse Licensor for the costs incurred in the audit.

Third Party Software/Open Source. Nothing in this Agreement shall restrict, limit or otherwise affect any rights or obligations You may have, or conditions to which You may be subject, under any applicable open source licenses to any open source code contained in the Software. The Software may include or be bundled with other software programs licensed under different terms and/or licensed by a licensor other than Licensor. Use of any software programs accompanied by a separate license agreement is governed by that separate license agreement. Any third party software that may be provided with the Software is included for use at Your option.

**Transfer.** This Agreement and the associated licenses purchased for use of the Software may not be transferred or assigned without the prior written approval of Licensor. Any such attempted transfer or assignment shall be void and of no effect. Please contact [OrderManagement@netiq.com](mailto:OrderManagement@netiq.com) to request the transfer of licenses and assignment of this Agreement. This Agreement may not be transferred or assigned without the prior written approval of Licensor. Any such attempted assignment shall be void and of no effect.

**Law.** All matters arising out of or relating to the Agreement will be governed by the substantive laws of the United States and the State of Utah without regard to its choice of law provisions. Any suit, action or proceeding arising out of or relating to the Agreement may only be brought before a federal or state court of appropriate jurisdiction in Utah. If a party initiates Agreement-related legal proceedings, the prevailing party will be entitled to recover reasonable attorneys' fees. If, however, Your country of principal residence is a member state of the European Union or the European Free Trade Association, (1) the courts of Ireland shall have exclusive jurisdiction over any action of law relating to this Agreement; and (2) where the laws of such country of principal residence are required to be applied to any such action of law the laws of that country shall apply. The application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded.

**Entire Agreement.** This Agreement, together with any other purchase documents or other agreement between You and Licensor, sets forth the entire understanding and agreement between You and Licensor and may be amended or modified only by a written agreement agreed to by You and an authorized representative of Licensor. NO LICENSOR, DISTRIBUTOR, DEALER, RETAILER, RESELLER, SALES PERSON, OR EMPLOYEE IS AUTHORIZED TO MODIFY THIS AGREEMENT OR TO MAKE ANY REPRESENTATION OR PROMISE THAT IS DIFFERENT FROM, OR IN ADDITION TO, THE TERMS OF THIS AGREEMENT.

**Waiver.** No waiver of any right under this Agreement will be effective unless in writing, signed by a duly authorized representative of the party to be bound. No waiver of any past or present right arising from any breach or failure to perform will be deemed to be a waiver of any future right arising under this Agreement.

**Severability.** If any provision in this Agreement is invalid or unenforceable, that provision will be construed, limited, modified or, if necessary, severed, to the extent necessary, to eliminate its invalidity or unenforceability, and the other provisions of this Agreement will remain unaffected.

**Export Compliance.** You acknowledge that Licensor's products and/or technology are subject to the U.S. Export Administration Regulations (the "EAR") and You agree to comply with the EAR. You will not export or re-export Licensor's products, directly or indirectly, to: (1) any countries that are subject to US export restrictions; (2) any end user who You know or have reason to know will utilize Licensor's products in the design, development or production of nuclear, chemical or biological weapons, or rocket systems, space launch vehicles, and sounding rockets, or unmanned air vehicle systems; or (3) any end user who has been prohibited from participating in the US export transactions by any federal agency of the US government. By downloading or using the Software, You are agreeing to the foregoing and You are representing and warranting that You are not located in, under the control of, or a national or resident of any such country or on any such list. In addition, You are responsible for complying with any local laws in Your jurisdiction which may impact Your right to import, export or use Licensor's products. Please consult the Bureau of Industry and Security web page [www.bis.doc.gov](http://www.bis.doc.gov) before exporting items subject to the EAR. Upon request, Licensor's International Trade Services Department can provide information regarding applicable export restrictions for Licensor products. Licensor assumes no responsibility for Your failure to obtain any necessary export approvals.

**U.S. Government Restricted Rights.** Use, duplication, or disclosure of any Deliverables by the U.S. Government is subject to the restrictions in FAR 52.227-14 (Dec 2007) Alternate III (Dec 2007), FAR 52.227-19 (Dec 2007), or DFARS 252.227-7013(b)(3) (Nov 1995), or applicable successor clauses.
