We rely on a combination of copyright, patent, trademark and trade secret laws, non-disclosure agreements and other contractual provisions to establish and maintain our proprietary rights, which are important to our success. From time to time, we may also enforce our intellectual property rights through litigation in line with our strategic and business objectives.

Under Rule 8.3(a) of the UK City Code on Takeovers and Mergers (the Code), any person who is interested in 1 percent or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3:30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3:30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 percent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3:30 p.m. (London time) on the business day following the date of the relevant dealing. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they shall be deemed to be a single person for the purpose of Rule 8.3. Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <https://www.thetakeoverpanel.org.uk/>, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. Additional Information

U.S. shareholders (and the acquired company's ADS holders) should note that the Proposed Acquisition relates to an offer for the shares of a UK company that is a "foreign private issuer" as defined under Rule 3b-4 of the Exchange Act and is being made by means of a scheme of arrangement provided for under English company law. The Proposed Acquisition, implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the Exchange Act. Accordingly, the Proposed Acquisition is subject to the procedural and disclosure requirements, rules and practices applicable to a scheme of arrangement involving a target company in the UK listed on the London Stock Exchange, which differ from the requirements of the U.S. tender offer and proxy solicitation rules. If, in the future, we exercise our right to implement the Proposed Acquisition by way of a takeover offer and determines to extend the takeover offer into the United States, the Proposed Acquisition will be made in compliance with applicable U.S. securities laws and regulations, including Sections 14(d) and 14(e) of the Exchange Act and Regulations 14D and 14E thereunder. Such a takeover offer would be made in the United States by us or our wholly-owned subsidiary and no one else.

Use of Non-GAAP measures.
