

Micro Focus Content Manager Upgrade Services

Get more value from the latest product innovations with Micro Focus Professional Services

Upgrade Services at a Glance:

- Upgrade program for Content Manager 7.x, 8.x, 9.x to 10.x.
- Proven migration methodology and best practices.
- Phased approach to reduce disruptions and outages.
- Knowledge transfer, technical training, and smooth hand-off.
- Post-production upgrade support to minimize technical risk.

Seamless Upgrades, Maximum Value

With our services, you can upgrade Content Manager 7.x, 8.x, 9.x to 10.x—and modernize your content management system—with minimal disruption. Micro Focus Professional Services consultants review the current system, lead discovery and maturity-model assessment workshops, review the upgrade plan and data backup strategies, run pre-requirement checklists, conduct pre-upgrade health checks, and perform the upgrade. They use a proven methodology, follow best practices, and provide system training and documentation to your team after migration. Delivered locally or remotely, our streamlined services cut the time, risk, and cost of the upgrade process.

Pricing and Statement of Work

We provide a statement of work after conducting a discovery workshop. Please contact us to:

- Schedule the workshop.
- Learn about Content Manager 10, Content Manager Select, and Content Manager Select as a Service options.
- Discuss ways to modernize your content management systems.

Benefits

- Accelerate time to value.
- Minimize system disruption.
- Reduce long-term costs.
- Protect your investment with a mature and robust foundation that addresses future content management requirements.

Step 1: Assessment

Comprehensive assessment on current deployment, longer term needs to make an informed upgrade or migration choice
