Corporate Fact Sheet

Company Overview

Micro Focus is one of the world’s largest enterprise software providers, focused on solving your IT dilemma—how to balance today’s needs with tomorrow’s opportunities. Our broad portfolio of software and supporting services provides the keys you need to accelerate, modernize, simplify, strengthen, and analyze your core operations.

Strategies to Run and Transform—at the Same Time

- **Accelerate Application Delivery**
- **Modernize Core Applications**
- **Simplify IT Transformation**
- **Strengthen Cyber Resilience**
- **Analyze Data in Time to Act**

Differentiation

Thousands of customers choose Micro Focus every day to solve their digital dilemma because we are:

**Flexible:**
- We offer the options you want—from SaaS, to on premises, to cloud.
- We support our products for the long haul so you can evolve at your own pace, building on what you already have, saving money, and reducing risk.

**Comprehensive:**
- Our broad software portfolio simplifies transformation giving you a single vendor across a wide range of needs.
- Our world-class Professional Services and Support teams work across our portfolio to help you get the most from your investments.

**Customer-focused:**
- We innovate our products based on direct feedback from customers through a variety of means including our communities, events, and Customer Care team.
- We prioritize the things that matter to our customers including transparency, ESG values, and accelerating time to value.
