

Run and Transform— At the Same Time

Who We Are

Micro Focus is one of the world's largest enterprise software providers, focused on helping you run and transform—at the same time. We deliver mission-critical technology and strategic services that help thousands of customers worldwide manage core IT elements of their business.

What We Do

Solve Your Digital Dilemma

Micro Focus helps you solve the digital dilemma of how to balance today's needs with tomorrow's opportunities. With our broad portfolio, you can enact the key strategies needed to run and transform your organization—and thrive in a digital world:

Accelerate Application Delivery

Deliver at high speed with low risk.

Modernize Core Applications

Evolve and innovate trusted systems.

Simplify IT Transformation

Cut complexity and build agility.

Strengthen Cyber Resilience

Adapt with intelligence.

Analyze Data in Time to Act

Accelerate prediction accuracy.

Why Customers Trust Us

You need more than an IT vendor—you need a partner who has the expertise and commitment to help you achieve success both today and in the long term. Thousands of customers choose Micro Focus because we are:

Flexible

- We offer the options you want—from SaaS, to on premises, to cloud.
- We support our products for the long haul so you can evolve at your own pace, building on what you already have, saving money, and reducing

Comprehensive

- Our broad software portfolio simplifies transformation giving you a single vendor across a wide range of needs.
- Our world-class Professional Services and Support teams work across our portfolio to help you get the most from your investments.

Customer-focused

- We innovate our products based on direct feedback from customers through a variety of means including our communities, events, and Customer Care team.
- We prioritize the things that matter to our customers including transparency, ESG values, and accelerating time to value.

We power billions of transactions and millions of business-critical functions in industries where getting IT right matters. When you partner with Micro Focus, you're in the company of many of the world's most successful businesses. Learn more at [microfocus.com](https://www.microfocus.com).
