How to Find Your Retain Version

Retain Server

This is the main Retain Server.

Retain Server Web Interface

1. Start by navigating to the Retain Server web page.
2. Log in to the Retain Server as Admin.
3. Once logged in, in the top section, select "About".

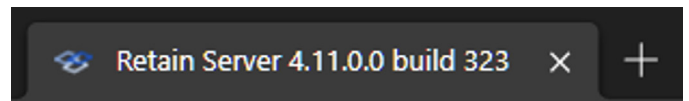

4. On the resulting page, the current version will be listed at the top of the page.

Web Brower Tab

1. Navigate to Retain Server Web Page.
2. Log in as the Admin.
3. Hover over the Browser tab.
