

Micro Focus Mobile Center

Objective:

Harness Micro Focus Mobile Center's powerful toolset to build, monitor and optimize great UX and create 5-star, mobile apps people love.

Rules:

To begin, place your app in the Micro Focus Mobile Center. Use the testing and monitoring tools, and collect your results and ROI along the way.

Results:

- Faster app delivery
- Better app performance
- Fewer app defects
- Cost savings
- More app users
- Higher app rating
