

Micro Focus ALM/Quality Center

Comparing ALM/Quality Center Editions and Offerings

Summary of Editions and SaaS Offerings

Editions	QC Community	QC Express		QC Enterprise	ALM
SaaS Offerings			QC Team	QC Enterprise	ALM

Note: Unless specifically specified, this document reflects the status of the latest on-Premises and SaaS releases of ALM/Quality Center.

Note: QC Team is a SaaS offering that has the same set of features as the QC Enterprise edition; however, its associated SaaS service levels are different from the QC Enterprise SaaS offering. See table "SaaS-Specific Features and Services" for details.
